

## **AIM & SCOPE**

The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share and discuss various new issues and developments in different areas of Pharmaceutical Research & Education.

### **The aims and scope of the journals are to:**

- ❖ Provide a journal that reports research on topics that are of international significance across educational contexts.
- ❖ Publish high quality manuscripts that are of international significance in terms of design or findings.
- ❖ Encourage collaboration by international teams of researchers to create special issues on these topics.
