

Suresh Gyan Vihar University Journal of Pharmaceutical Research & Education

AIM & SCOPE

The aim & scope of Suresh Gyan Vihar University Journal of Pharmaceutical Research & Education to publish original research work that contributes significantly to advance the scientific knowledge in pharmacy and pharmaceutical sciences including:

- ❖ Pharmaceutical Technology, Pharmaceutics, Novel Drug Delivery, Biopharmaceutics, Pharmacokinetics
- ❖ Pharmacognosy and Natural Products
- ❖ Pharmaceutical/Medicinal Chemistry, Computational Chemistry and Molecular Drug Design, Pharmaceutical Analysis
- ❖ Pharmacology, Pharmacy Practice, Clinical and Hospital Pharmacy
- ❖ Cell Biology, Genomics and Proteomics, Pharmacogenomics, Bioinformatics and Pharmacoeconomics
- ❖ Research outcomes from medical sciences/case study and biotechnology of pharmaceutical interest are also considered.

The journal provides a golden opportunity to the scientific community to distribute their work rapidly without relinquishing the quality with the help of an able 'Online System'. It is a sustainable source of knowledge for the hidden aspects of natural phenomena occurring in pharmaceutical sciences and its related systems

Suresh Gyan Vihar University Journal of Pharmaceutical Research & Education provide a platform to all scientists, researchers, academicians, industrialists and readers to share their ideas, knowledge, information and research findings among the people of their own fraternity.

It facilitates the publication of novel, innovative and hypothesis-driven research from the emerging areas of Pharmaceutical sciences.
