

Gyan Vihar Centre for Arts and Design

Curriculum for Academic Session 2026 -2027 for the following Programmes:

1. B.Voc Fashion Design
2. B.Voc Interior Design
3. B.Voc Graphic Design

S.No.	Programmes	Remarks
1	B. Voc Fashion Design	Semester I & VI
2	B. Voc Interior Design	Semester I & VI
3	B. Voc Graphic Design	Semester I & VI

Award	Duration
Certificate	1 Year
Diploma	2 Year
B.Voc.	3 Year

Programme Educational Objectives:

1. Industry-Oriented Skill Development

To develop professionally skilled and technically competent graduates in Fashion Design, Interior Design, and Graphic Design through practical, studio-based, and application-oriented learning experiences.

2. Creative Problem Solving and Design Thinking

To nurture creative thinking, visual communication abilities, technical proficiency, and user-centered approaches for solving real-world design and industry challenges.

3. Professional Ethics and Lifelong Learning

To prepare students as responsible design professionals with ethical values, collaborative abilities, sustainability awareness, and adaptability towards evolving technologies, industry practices, and continuous learning.

Programme Intended Learning Outcomes:

1. Design Knowledge and Technical Competency

Apply fundamental principles of design, materials, construction techniques, digital tools, visual communication methods, and technical processes in creative and professional design practices.

2. Creative Thinking and Problem Solving

Demonstrate creativity, observation, critical thinking, research, and an understanding of the design process to generate effective and innovative design solutions.

3. Visualisation and Communication Skills

Develop effective sketching, rendering, presentation, documentation, storytelling, and digital communication skills to professionally represent design ideas and concepts.

4. Practical and Industry Readiness

Acquire practical exposure through workshops, studio exercises, field visits, live projects, internships, and industry-oriented assignments to meet contemporary professional standards.

5. Sustainability and Ethical Responsibility

Incorporate sustainable approaches, ethical practices, cultural understanding, and socially responsible values in design development and professional activities.

CREDIT SYSTEM

- The B.Voc. programmes are structured under the semester-based Choice Based Credit System (CBCS) with a strong emphasis on practical and skill-based learning.
- Each academic year consists of two semesters integrating theory, studio practice, workshops, practical training, projects, and field-based learning experiences.
- The programmes offer multiple exit pathways leading to Certificate, Diploma, and B.Voc. qualifications based on successful completion of the prescribed duration and credits.
- Credits are assigned to each course based on lecture, tutorial, practical, studio, and project hours conducted per week.
- Student performance is evaluated through Continuous Internal Evaluation (CIE), practical examinations, assignments, viva-voce, presentations, jury assessments, projects, and End Semester Examinations (ESE).
- The curriculum focuses on employability, technical competency, communication skills, creativity, professional ethics, and industry engagement through experiential learning methodologies.
- Students are required to successfully complete the prescribed credits and maintain the minimum required academic performance for the award of the degree.

- The B.Voc. programmes are designed to prepare students for professional employment, technical practice, higher education, and emerging opportunities within the design and creative industries.
- The B.Voc. programmes are offered across multiple specialisations, including Fashion Design, Interior Design, and Graphic Design, with distinct credit structures.
