INTRODUCTION TO THE PROGRAM

A Smarter Route to Becoming a Finance Leader

Imagine a degree program that not only imparts academic knowledge but simultaneously prepares you for one of the most respected professional qualifications in the world, the Chartered Accountancy.

At Suresh Gyan Vihar University (SGVU), under the Center for Future Finance Professionals, we offer an intellectually robust B.Com + CA program, designed for those who aspire to lead in finance, accounting, taxation, and corporate strategy.

This is not just education, it's an early start to excellence.

SURESH GYAN VIHAR UNIVERSITY

A UNIVERSITY BUILT ON EXCELLENCE

Founded in 2008, Suresh Gyan Vihar University is a research-led, NAAC A+ institution ranked in the NIRF Top 150. Its commitment to quality education, innovation, and real-world skill-building makes it a natural partner for a future-facing program like B.Com + CA.

ABOUT

CENTER FOR FUTURE FINANCE PROFESSIONALS

Where Academic Excellence Meets Professional Mastery

The Center for Future Finance Professionals is a pioneering initiative designed to bridge the gap between academic education and industry-ready skills in commerce and finance. In collaboration with leaders in commerce education like JK Shah Classes, Logic and BB Virtual etc., this program integrates globally recognized professional certifications with undergraduate education.

Our mission is to empower students with the knowledge, skills, and credentials needed to excel in the competitive world of finance. By partnering with educational institutions, we aim to create a seamless pathway for students to achieve academic and professional success simultaneously.

ABOUT JK SHAH CLASSES

A pioneer in CA Coaching, JK Shah Classes has been providing comprehensive and professional guidance to aspiring Chartered Accountants for the last 40 years. With the right support, knowledge, and expertise, JK Shah Classes has become the Center for Future Finance Professionals, helping students achieve their career goals and excel in the field of accountancy. Over the years, it has grown into a mammoth 'Rankers Factory' for CA.
